

Parental Acknowledgement / Emergency Contact Form:

Dear Parent or Guardian,

We believe in providing more than just a job for youth. We understand that junior employees are in the formative years of their employment career, and as such we aim to contribute to their development, to help prepare them for interactive employment in the future.

As part of this we welcome parental involvement and feedback. We believe that young people can strive for excellence from any age, and we know that everyone benefits when everyone is performing at their best, as part of a team – including teammates, the customers, our company, and the employees themselves.

If you have any questions, concerns, or feedback, please reach out to Andrew Lynch. Andrew is one of our director's, and he is available during business hours on 0405 577 137. Please SMS if you are unable to reach him – especially during the show.

We may reach out to you during or after the event if it becomes relevant, or if you request it. Obviously, we will need to reach you in case of any emergency.

Please acknowledge the above and provide us with a way to contact you in case of any of the above-mentioned reasons.
